Dobler

Nagehan

Nana Gotti is a Zurich based luxury womenswear label founded by Nagehan Dobler. A graduate Istituto Marangoni, Dobler gained experience in the field of design, wholesale, PR and styling interning at various well-known brands like Diane von Furstenberg, Bottega Veneta, Felder Felder, Erdem and Hia Magazine. She also took design and entrepreneurial courses at Parsons School of Design in New York, which led her to establish her own label today.

Sun-Kissed Dreams

is a charismatic coastal collection for nights by the pool and days on the beach. Melding the laid-back vibes of Bali with the colour of Mexico's Tulum, this summery capsule grabs attention with its razzle-dazzle-sequins, oversized flowers, loud geometric patterns, and glam feathery trims.

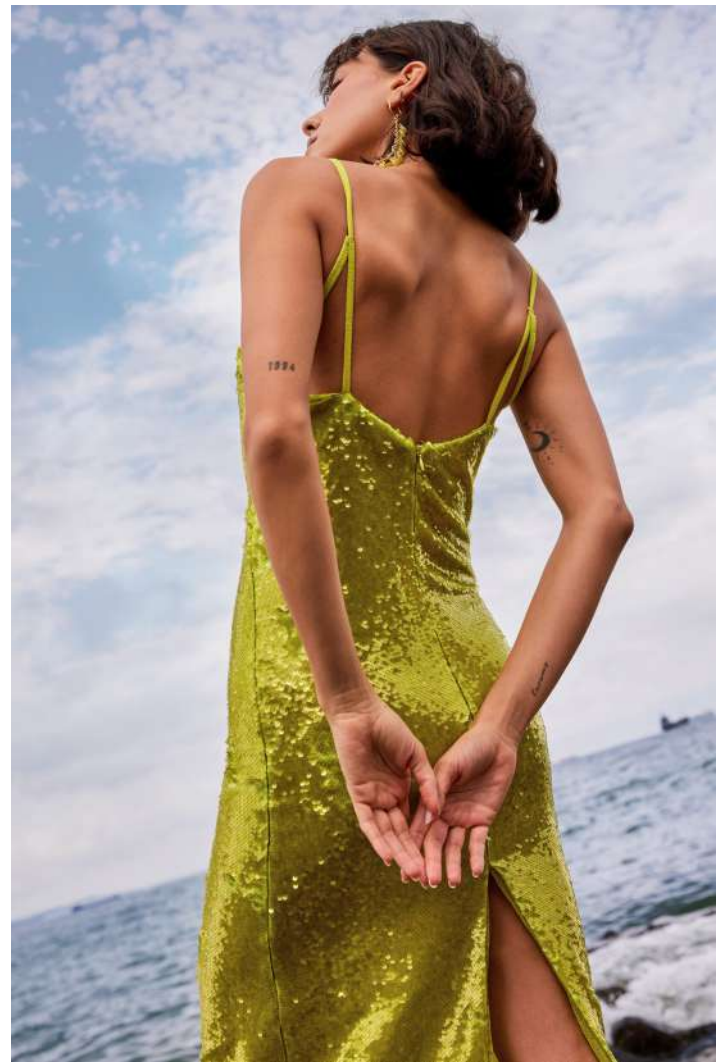

Channelling A-list vacations from bygone eras, Sun-Kissed Dreams serves up mesh dresses, retro bathing suits, swanky gowns, and thigh-skimming cocktail frocks. Look closer and discover sassy little details like cowgirl fringing, rococo frills, golden hardware, and tessellated cutouts.

When the Old Hollywood starlets went on holiday, they never did anything by halves. Sun-Kissed dreams is a sartorial homage to those heady days of the silver screen – and your ultimate wardrobe for the warmer months.
